1. This Office Action is responsive to communication filed on 08/03/2009.

Response to Amendment

2. The proposed amendments to claims will not be entered because they would require further search and/or consideration. For example, claims 1 and 14 now recite "when recordings of more than one broadcasting programs are scheduled at the same time, to select a single broadcasting program among the more than one broadcasting programs" The previous underlined arrangement were not previously defined, thus making the amended claims more specific and necessitating further search/or consideration.
